Warning of Serious Physical Injury Possibility

Participating in competitive athletics may result in severe injury, including paralysis or death. Changes in rules, improved conditioning programs, better medical coverage and improvements in equipment have reduced these risks. Still it is impossible to totally eliminate such occurrences. Players can reduce the chance of injury by obeying all the safety rules of their sport, reporting all physical problems to their coaches, following a proper conditioning program, and inspecting their equipment daily. Damaged equipment must be replaced immediately. Even if all these requirements are met and even if the athlete is using excellent protective equipment, a serious accident may occur. As a condition of participation we acknowledge that we have read and understand this warning statement.

Transportation

The school district has a "meet you there" transportation policy. This means the coach will meet the player at the game site. If rides are arranged for student athletes they ride in a school van with a school employee as the driver or in a parent vehicle with a parent driving. **I HEREBY GIVE PERMISSION FOR THE ABOVE NAMED ATHLETE TO RIDE IN A SCHOOL VAN OR WITH A PARENT DRIVER.**
