

San Lorenzo Valley High School "Grad Night" -- Code of Conduct

The gym and general area for your Grad Night Party will remain safe and secure with positive attitudes being displayed by graduates, security and volunteers. There will be a fenced area in which you, the graduate, will be required to stay within. **Grad Night is for current SLV graduates ONLY!**

If you leave, you will NOT be allowed to re-enter the party. For safety reasons, if you leave before 2:00 am, we will call your home – your parent feels safe knowing you are at Grad Night. If you leave and go somewhere else, you are no longer within our safe environment.

Guidelines:

- Please behave in a responsible, respectable and accountable manner (includes appropriate language).
- Please wear appropriate clothing at all times (flip flops are not recommended for various areas).
- Please take pride in your surroundings – throw away garbage in the trash cans.
- Please refrain from obscene or inappropriate behavior of any kind.
- Please leave ALL valuables, including money, at home (or locked in your car).
- You will receive a backpack with needed items for Grad Night – you can store personal effects in it (with a special number attached).
